Dear Friend:

Alpha Home has provided substance use treatment (18 years and over) in San Antonio, Texas, since 1966. Our residential program serves only women, while our outpatient services provide gender-specific groups for men and women. Our clients have faced generations of substance use, have experienced trauma, and have an average annual income of \$5,000. We believe individuals' financial circumstances should never prevent them from receiving treatment. Alpha Home provides treatment, regardless of a person's ability to pay.

Upon discharge, most clients have either obtained employment or returned to school. Because of our generous donors, Alpha Home continues to provide excellent treatment services.

On May 18, 2022, from 11:30 AM to 1:30 PM, at the San Antonio Country Club, we are hosting our annual Doorways of Hope luncheon. This year, the keynote speaker is Joe Pantoliano, an actor/author starring in television shows like The Simpsons, The Sopranos, The Nick Cannon Show, and more. He has been in over 100 movies: Matrix, Lake Placid Legacy Just Getting started, and others. Additionally, Joe Pantoliano has authored Asylum and Who's Sorry Now.

Our goal is to surpass last year's event and raise \$175,000; we would love your company to join us in transforming lives by becoming a sponsor. Attached is a breakdown of the sponsorships and a registration form. In gratitude for your sponsorship, Alpha Home will promote your company as an official event sponsor. With your company by our side at Doorways of Hope, we can transform lives and give hope to others. Will you join us in becoming a sponsor? For additional information, you can contact our Development Director at (210) 785-3007 or email ashank@alphahome.org for questions.

Sincerely,

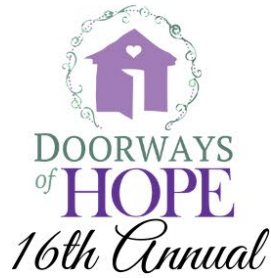

Liza Jensen, LCSW
