Independent Auditor's Report

To the Board of Directors of
Alpha Home, Inc.

Opinion

We have audited the accompanying financial statement of Alpha Home, Inc. (Alpha Home) (a nonprofit organization), which comprise the statement of financial position as of August 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Alpha Home as of August 31, 2022 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alpha Home and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about Alpha Home's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of Alpha Home's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alpha Home's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of Alpha Home as of and for the year ended August 31, 2022, and have issued our report thereon dated December 8 2022, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards on page 24, is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 8, 2022, on our consideration of Alpha Home's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Alpha Home's internal control over financial reporting and compliance.

Independent Auditor's Report (Continued)

Report on Summarized Comparative Information

We have previously audited Alpha Home's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 8, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended August 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Note A: Nature of Organization

Alpha Home, Inc. (Alpha Home) is a nonprofit corporation chartered in 1966. The mission of Alpha Home is to offer a pathway of help, hope, and healing through spiritually based drug and alcohol treatment and support. Alpha Home's vision is to provide the resources for every client to build a future of long term recovery. Alpha Home lives by its core values of Spirituality, Compassion, Integrity, and Respect.

The specific program and services that Alpha Home provides include:

- Residential Services - clients live on-site while being closely supervised. Alpha Home provides medical and mental health assessments, treatment for dual dependencies, individual and group counseling, addiction and recovery education, family counseling, extensive case management, parenting discussions, trauma counseling, anger resolution, art activities, recovery planning, introduction to 12-step support groups, and peer support.
- Outpatient Services - outpatient programs are designed for clients who are in need of treatment, but who also have the skills and support to recover without the need for residential services. Clients live off-site and attend group and individual sessions on-site.
- Recovery Support Services – provides for the engagement and linking of individuals prior to, during and after treatment and providing recovery support services to build recovery capital, with a goal of extending the reach of traditional treatment services beyond the clinical setting into the everyday environment of those seeking to achieve or sustain recovery from Substance Use Disorders (SUD).
- Family First - Family First was an intervention and education service previously funded by the Texas Health and Human Services Commission (HHSC) that focused on pregnant and parenting women at risk of substance abuse and/or domestic violence and supported fathers of young children. Funding for the Family First program ended during year ending August 31, 2020 and was discontinued in December 2020.

Note B: Summary of Accounting Principles

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in conformity with generally accepted accounting principles (GAAP). Net assets, support and revenue, and expenses are classified according to two classes of net assets:

- *Without Donor Restrictions* – net assets available for use in general operations and not subject to donor restrictions. Grant and contributions gifted for recurring programs of Alpha Home generally are not considered “restricted” under GAAP, though for internal reporting Alpha Home tracks such grants and contributions to verify the disbursement matches the intent. Assets restricted solely through the actions of the Board of Directors are reported as Net Assets Without Donor Restrictions, Board Designated.
- *With Donor Restrictions* – net assets subject to donor-imposed stipulations that are more restrictive than Alpha Home's mission and purpose. Some donor restrictions are temporary in nature, such as those that will be met by the passage of time. Donor imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

Note B: Summary of Accounting Principles (Continued)

Fair Value Measurements

The Fair Value Measurements and Disclosures Topic of the FASB ASC, 820-10, defines fair value, establishes a three level valuation hierarchy for disclosure of fair value measurements, and expands disclosures about fair value measurements. An instrument's categorization within the hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

- *Level 1* - Inputs that utilize quoted prices (unadjusted) in active markets for identical assets that Alpha Home has the ability to access.
- *Level 2* - Inputs that include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.
- *Level 3* - Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions as there is little, if any, related market activity.

Fair Value of Financial Instruments

Alpha Home's financial instruments include cash and cash equivalents, receivables, investments, and payables. The carrying amount of these financial instruments, except for investments (refer to **Note E**), as reflected in the Statements of Financial Position approximates fair value.

Methods Used for Allocation of Expenses among Program and Support Services

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Expenses which can be directly identified with specific programs are allocated to those programs. Any expenses not directly chargeable are allocated to programs and supporting service classifications on an indirect basis according to management estimates. For example, salaries and wages for the majority of Alpha Home's staff are directly charged to specific grants, contracts, and other activities if readily identifiable. Occupancy expenses such as utilities, maintenance, and rent and security services are allocated directly and indirectly based on square footage.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of reporting cash flows, Alpha Home considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Prepaid Expenses

Expenses recorded in advance of the service or product being received are deferred and presented on the Statement of Financial Position as Prepaid Expenses.

Alpha Home, Inc.

Notes to Financial Statements
August 31, 2022 and 2021

Note B: Summary of Accounting Principles (Continued)

Contracts Receivable

Contracts Receivable are principally due from government contracts and other funding sources and are recorded based on amounts considered by management to be realizable. All contracts receivable are carried at the original invoice amount, less an allowance made for impairment of these receivables. Government grants which are included in Contracts Receivable in the Statements of Financial Position are individually analyzed for purposes of determining collectability. At August 31, 2022 and 2021, no allowance has been determined as all contracts are considered fully realizable.

Investments

Investments are carried at fair value based on quoted market prices for financial statement purposes. A provision for unrealized gains or losses is made each year to adjust to the appropriate value. Realized and unrealized gains and losses are determined by comparison of cost to proceeds or fair value, respectively. Cost is determined by historical purchase price or, in the case of any donated investments, the fair market value of those investments at the date of the gift. Investment income and gains restricted by a donor are reported as increases in Net Assets Without Donor Restrictions if the restrictions are met (either by passage of time or by use in the reporting period in which the income are gains are reported).

Advertising Costs

Advertising costs are expensed as incurred. Advertising expenses for the years ending August 31, 2022 and 2021 were **\$11,288** and \$8,182, respectively.

Property and Equipment

Alpha Home capitalizes all expenditures for property and equipment in excess of \$2,500. Property and equipment are stated at cost or at their estimated market value at the date of receipt from donors. Donated property and equipment are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Repairs and maintenance costs are expensed as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from 5 to 39 years. Land is not depreciated.

Revenue and Revenue Recognition

Contributions and Grants

Alpha Home recognizes contributions and grants received as revenue in the year received or unconditionally promised. Contributions and grants received are recorded as support Without Donor Restrictions or With Donor Restrictions depending on the existence or nature of any donor restrictions. Support that is not restricted by the donor is reported as an increase in Net Assets Without Donor Restrictions. All other donor restricted support is reported as an increase in Net Assets With Donor Restrictions. Net Assets With Donor Restrictions are reclassified to Net Assets Without Donor Restrictions upon expiration of the time or purpose restriction and are reported in the Statement of Activities as Net Assets Released from Restrictions. Restricted contributions whose restrictions are met in the same reporting period are reported as Without Donor Restrictions.

Alpha Home, Inc.

Notes to Financial Statements
August 31, 2022 and 2021

Note B: Summary of Accounting Principles (Continued)

Revenue Recognition (Continued)

Program Fees and Contracts from Government Agencies

Program Fees and Contracts from Government Agencies revenue in the Statement of Activities primarily consists of government contract revenue administered through the Texas Health and Human Services Commission. Government contract revenue is recorded when expenses are incurred, as is the case on the reimbursement contracts administered through the Texas Health and Human Services Commission. Revenue derived from other contract services and insurance providers is recognized in the period it is earned.

Federal and State Income Taxes

Alpha Home is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying statements. Management of Alpha Home believes it has no material uncertain tax positions and, accordingly, it will not recognize any liability for unrecognized tax benefits. In addition, Alpha Home has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) for the Internal Revenue Code. There was no unrelated business income for the years ended August 31, 2022 and 2021. Alpha Home is not subject to the Texas state income tax. Management is not aware of any tax position that would have a significant impact on its financial position.

Recently Issued Accounting Pronouncements

Adopted During 2022

In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, effective for fiscal years beginning after June 15, 2021 and interim periods within annual periods beginning after June 15, 2022. Early adoption is permitted. The FASB ASU requires nonprofits to change their financial statement presentation and disclosure of contributed nonfinancial assets, or gifts-in-kind. The FASB issued the update in an effort to improve transparency in reporting nonprofit gifts-in-kind. Refer to **Note J**.

Future Adoption

In February 2016, The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-02, *Leases*, effective for fiscal years beginning after December 15, 2021 and interim periods within fiscal years beginning after December 15, 2022. Under this new pronouncement, generally, leases with terms of more than 12 months will be recognized in the Statements of Financial Position as an asset (right to use leased asset) and a liability (lease liability). Management of Alpha Home expects the impact to operations to be minimal and is currently evaluating the effect this pronouncement will have on the financial statements and related disclosures.

Summarized Financial Information

The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with Alpha Home's financial statements for the year ended August 31, 2021 from which the summarized information was derived.

Note H: Concentrations

Credit Risk of Financial Instruments and Investments

Financial instruments which potentially subject Alpha Home to a concentration of credit risk consist of its cash balances held at its financial institution. Alpha Home maintains four bank accounts at one institution in San Antonio, Texas. The accounts at this institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At August 31, 2022 and 2021, Alpha Home's cash balance at its financial institution exceeded the insured FDIC limit by **\$90,075** and \$236,067 respectively. Alpha Home has not experienced any losses in such account and management believes it is not exposed to a significant risk on its cash balance.

Alpha Home maintains an investment account at one institution in San Antonio, Texas. The account at the institution is insured by the Securities Investor Protection Corporation (SIPC) up to \$500,000 for securities and cash, which includes a limit of \$250,000 for cash only. Alpha Home's investment balance at its financial institution exceeded the SIPC limit by **\$99,708** and \$156,916 at August 31, 2022 and 2021, respectively. Alpha Home has not experienced any losses in such account and management believes it is not exposed to a significant risk on its investment balance.

Facilities

Alpha Home was established as a ministry by a committee from Trinity Baptist Church. Subsequently, Alpha Home became a separate entity. Trinity Baptist Church continues to support Alpha Home with contributions and shared facilities. Several Board members are also members of Trinity Baptist Church. Properties used by Alpha Home were rented from Trinity Baptist Church for **\$26,400** for the years ended August 31, 2022 and 2021. The fair rental value of the properties is estimated to be **\$326,400** for the years ended August 31, 2022 and 2021. The facilities were provided for Alpha Home's residential and outpatient services and management and general activities. Alpha Home estimated the fair value of facilities at the estimated fair value on the basis of comparable prices in real estate market. The facilities did not have donor-imposed restrictions. The difference between the estimated fair rental value and the rent expense is included of **\$300,000** and \$304,120 for the years ended August 31, 2022 and 2021, respectively, is included in the Statement of Functional Expenses as Contributed Nonfinancial Assets – Facilities and Professional Services.

Professional Services

A substantial number of volunteers donate significant amounts of their time to Alpha Home, and no amounts for these services are reflected in these financial statements because these services do not meet the criteria for recognition as a contribution, in accordance with GAAP. However, Alpha Home's recording of donated professional services does meet the qualifications. The professional services were provided for Alpha Home's residential and outpatient services. Alpha Home estimated the fair value of professional services at the estimated fair value on current rates for similar services. The professional services did not have donor-imposed restrictions. The contributed professional services amount of **\$202,228** and \$117,518 for the years ended August 31, 2022 and 2021, respectively, is included in the Statement of Functional Expenses as Contributed Nonfinancial Assets – Facilities and Professional Services.

Note K: Retirement Plan

Alpha Home offers a voluntary contribution 403(b) savings plan qualified under Section 403(B) of the Internal Revenue Code. All full-time employees are eligible to make voluntary contributions, except those who are non-resident aliens with no U.S. source income and those who are classified or treated as independent contractors. Alpha Home will match 50% of the employee's salary reduction amount contributed during the plan year that does not exceed 4% of the employee's compensation received during the plan year. Alpha Home contributed matching contributions of **\$6,999** and \$6,879 for the years ended August 31, 2022 and 2021, respectively.

Note L: Commitments and Contingencies

Alpha Home participates in several state and federal grant programs which are governed by various rules and regulations of the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that Alpha Home has not complied with the rules and regulations governing the grants, refunds of any money received may be required and the collectability of any related receivable may be impaired. In the opinion of management, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the respective grants; therefore, no provision has been recorded in the accompanying financial statements for such contingencies.

Note M: Charity Substance Abuse Treatment

The majority of clients are referred to Alpha Home by government agencies. The funding from these government agencies to provide treatment to these clients is substantially less than the actual cost to provide the treatment as indirect cost associated with these services are not included in the respective funding. During the years ended August 31, 2022 and 2021, Alpha Home's actual costs, direct and indirect, exceeded reimbursements from the agencies by an estimated **\$503,246** and \$399,628, respectively.

Note N: CARF Accreditation

As a benchmark of Alpha Home's ability to provide quality services, Alpha Home's accreditation was extended thru April 2025 for its outpatient treatment: Alcohol and Other Drugs/Addictions (Adults); Prevention/Diversion: Alcohol and Other Drugs/ Addictions (Adults); and Residential Treatment: Alcohol and Other Drugs/Addictions (Adults) programs by CARF International. Founded in 1966 as the Commission on Accreditation of Rehabilitation Facilities and now known as CARF International, the accrediting body establishes consumer-focused standards to help organizations measure and improve the quality of their programs and services. This accreditation decision represents the highest level of accreditation that can be awarded to an organization and shows Alpha Home's substantial conformance to the CARF standards. For additional information on CARF, please see <http://www.carf.org/home/>.

Note O: Paycheck Protection Program Loan

On April 24, 2020 and March 26, 2021, Alpha Home received loan proceeds in the amount of \$564,700 (PPP #1) and \$462,250 (PPP #2), respectively, under the Paycheck Protection Program (PPP). Established as part of the Coronavirus Aid, Relief and Economic Security Act (CARES Act), the PPP provides for loans to qualifying businesses in amounts up to 2.5 times the businesses' average monthly payroll expenses. PPP loans and accrued interest are forgivable after a "covered period" (eight or 24 weeks) as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities. Alpha Home used the PPP loan proceeds for purposes consistent with the PPP and applied for forgiveness within 10 months of the end of the covered period.

August 31, 2022 and 2021

Note O: Paycheck Protection Program Loan (Continued)

On April 1, 2021 and April 18, 2022, Alpha Home was granted 100% forgiveness on PPP #1 and PPP #2, respectively, and was legally released from the loan obligation. The forgiveness income is recorded as Gain on Extinguishment of Debt – Forgiven Paycheck Protection Program Loan in the amount of **\$462,250** and \$566,696 in the Statement of Activities for the year ended August 31, 2022 and 2021, respectively.

Note P. COVID-19 Risk and Uncertainty

Current Economic Events

Certain current economic events have arisen which could impact Alpha Home's ongoing operations. As a result of the COVID-19 pandemic, mandated and voluntary closings have caused various business and supply chain disruptions which have an indeterminate duration. Additionally, the effects of economic stimulus programs and U.S. Federal Reserve actions remain uncertain. These matters could impact numerous facets of the business environment including interest rates, inflation, and the availability of goods, capital and labor. Any related financial impact cannot be reasonably estimated at this time.

Investment Risks

Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in values in the near term could materially affect the amounts reported in the accompanying financial statements.

Note Q: Subsequent Events

Subsequent events have been evaluated through December 8, 2022, which is the date the financial statements were available to be issued.

The Texas Health and Human Services Commission consolidated their state-wide contract for Recovery Support Service into one vendor to reduce their administrative overhead costs. As such, Alpha Home's contract was not renewed for the fiscal year ending August 31, 2023.

Compliance Report

**Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

To the Board of Directors of
Alpha Home, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Alpha Home, Inc. (Alpha Home) (a nonprofit organization), which comprise the statement of financial position as of August 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 8, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Alpha Home's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Alpha Home's internal control. Accordingly, we do not express an opinion on the effectiveness of Alpha Home's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Alpha Home's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards* (Continued)**

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for
Each Major Program and on Internal Control
Over Compliance Required by the Uniform Guidance**

To the Board of Directors of
Alpha Home, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Alpha Home's compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of Alpha Home's major federal programs for the year ended August 31, 2022. Alpha Home's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Alpha Home complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended August 31, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance Section of our report.

We are required to be independent of Alpha Home and to meet our ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Alpha Home's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Alpha Home's federal programs.

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the Uniform Guidance (Continued)

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Alpha Home's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually, or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Alpha Home's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Alpha Home's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Alpha Home's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Alpha Home's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses may exist that have not been identified.

**Independent Auditor's Report on Compliance for
Each Major Program and on Internal Control
Over Compliance Required by the Uniform Guidance (Continued)**

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to Schedule of Expenditures of Federal Awards
August 31, 2022

Note A: Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of Alpha Home, Inc. (Alpha Home) under programs of the federal government for the year ended August 31, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Because the Schedule presents only a selected portion of the operations of Alpha Home, it is not intended, and does not, present the financial position, changes in net assets or cash flows of Alpha Home. Therefore, some amounts presented in the Schedule may differ from amounts presented in the financial statements.

All of Alpha Home's federal awards were in the form of cash assistance for the year ended August 31, 2022.

Note B: Summary of Significant Accounting Policies

- (1) Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in 2 CFR Part 230, *Costs Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- (2) Alpha Home has elected to use the 10 percent *de minimis* indirect cost rate as allowed under the Uniform Guidance.
